

Workplace **Giving** UK

Did you know that the Government is **paying you** to offer payroll **giving** to your staff?

AS A SME YOU ARE NOW ELIGIBLE FOR A NEW GOVERNMENT GRANT TO SET UP AND PROMOTE PAYROLL **GIVING** TO YOUR STAFF FOR THE BENEFIT OF UK CHARITIES.

Payroll giving is a **simple, efficient and flexible scheme**, which allows your employees to donate to any UK registered charity of their choice, large or small, by a direct deduction from their wage. All donations given in this way are tax effective so the charity receives your employee's donation and the tax they would have paid on this amount.

"We would like to thank **Workplace Giving UK** for their assistance in helping **Green and Black's** to implement, advertise and promote a payroll giving scheme for our employees. The entire process has been simple and straightforward. We have no hesitation in recommending **Workplace Giving UK's** services, and payroll giving in general, to any other organisations. "

Pardeep Bahanda, Financial Controller, Green and Black's Organic Chocolate

HOW THE GRANT WORKS FOR SMALL AND MEDIUM SIZED ENTERPRISES?

1) The **EMPLOYER INCENTIVE**, depending on the number of staff you employ, **covers any costs associated with introducing and administering the scheme** with a one off payment.

The **EMPLOYER INCENTIVE** is in three tiers:

- 1 - 199 employees £300
- 200 - 249 employees £400
- 250 - 499 employees £500

2) The **EMPLOYEE INCENTIVE** will **match all employees' donations £ for £** (up to £10 per month) for the first 6 months of giving from when the employee signs up.

Workplace Giving UK will do the rest. We work with employers to introduce, launch and promote their schemes to their staff. Our team has over 65 years of experience of speaking to staff about the scheme in the workplace and we can develop your promotional campaign to suit your work environment.

There is **NO COST** for our services; we just ask that you allow us the opportunity to promote this employee benefit to your staff.

So why not join the many employers already promoting payroll giving with **Workplace Giving UK** today and allow your employees the easy opportunity to give.
